

SELF-PUBLISHING SERVICES

Thank you for your interest in Northshire Bookstore's print-on-demand (POD) services. We are committed to a superlative author experience. Just as our focus in the bookstore is on customer service, we bring the same dedication to our printing services.

The Espresso Book Machine (EBM) produces perfect bound paperback books with color covers and black & white interiors. It can produce any trim size between 5" x 5" and 8" x 10". It can print books between 50 and 500 pages. Please see our Submissions Guidelines for all information regarding how to submit your work.

As the author, you retain full rights to your work. In addition, you set the retail price and keep 100% of the royalties (the difference between your production cost and the retail price).

Whether your book is ready to go or needs help to get to completion, whether you want just a few for family or hundreds for the wider market, whether you are here in Manchester or across the seas, we are here to help you get your book published.

We offer three packages to choose from depending on your goals for the book, and a number of extra services à la carte. We believe that between our service and our pricing, there is no better deal in the self-publishing world.

ALL PACKAGES INCLUDE:

- **Binding** — Perfect bound
- **Format** — Paperback
- **Color** — Color cover/back cover and black & white interior
- **Trim Size** — Infinitely variable between 5" x 5" and 8" x 10"

"My AP Language class wrote a collection of essays based on National Public Radio's This I Believe series. We received permission to publish them from the show's producers, and Northshire's wonderfully talented and professional staff guided us patiently through the process. The quality of our books is excellent, and the service that Northshire provides is outstanding. Our first edition of We Believe This was such a success that we plan on using Northshire Bookstore's Espresso Book Machine to publish an annual anthology of personal essays. Thank you, Northshire, for your commitment to quality, service, and the wonderful world of books!"

—From Frank Barnes, author, We Believe This and We Believe This Volume 2
